Our objectives are to unite, educate and entertain a class, creating friendlier atmosphere in school. In school year 2010/2011 we have organized 23 entertainment activities. In the future we will make creative workshops and family celebrations, for example birthdays. We have worked very successfully to compete with other firms which offer such services.
66	Latvia	Fairytale	SMU "Fairy Tale" offers a celebration organization for children 4 - 10 years old. Our idea is unique because no one in Livani does not offer a similar service. Children's events in schools and kindergartens for children does not always allow for creative expression. We offer to organize a celebration for different number of people and age groups. Our service price is not high. Sometimes we offer discounts for low-income families. Customer benefits include: The creative and appropriate time spending Develop group skills. Learn something new and useful. Parents can use their free time to their needs. SMU "Fairy Tale" own actions bring a new breath of children's daily
67	Latvia	Aina's brooches	Student company "Aina's brooches" is a company that produces different accessories like brooches, earrings, necklaces, etc. "Aina's brooches" idea is unique, because every piece of accessory is hand-made and only in one exemplar. Exactly the same production won't be found anywhere – it is one of a kind. Nowadays more and more people want to show to the world their individuality – why not do it with the help of hand-made accessories? Student company's "Aina's brooches" production gives a person the opportunity to stand out against the bleak everyday crowd with a small but bright adornment. A brooch can wonderfully improve every woman's image. For example, you have an ordinary sweater – nothing special but attach to it a brooch and everything has changed – the sweater looks like the most stylish thing in your closet. Every brooch is made from the workers' ideas and every element of brooch is

			carefully sewn. It really is a delicate crafting. So, you can get a high quality and unique accessories. Student company "Aina's brooches" offers you only the best and the most innovative accessories!
68	Latvia	Bonum Clip	Costum Design made pins and mirrors. Mirrors form one side are just mirrors, but from other side it's costumers choice photo. The pins and mirrors are 55 mm (diameter) big. Costumer can give us any photo and we will make pin or mirror with this photo.
